

Adamsville

# Spring Cleaning

Beginning in March the City of Adamsville will be starting a

## **Spring Cleaning Campaign**

to clean up properties **inside** the Adamsville city limits.

We will be scheduling specific items to be picked up each week for customers who live within the city limits of Adamsville who receive regular garbage pickup. This is an effort to clean up the city and help the property owners properly dispose of unwanted items they may have a hard time removing from the property.

Pick up days will be on Thursday and Friday of each week.

### **Schedule**

March 16 & 17	furniture & mattresses
March 23 & 24	paint (make sure all cans are securely closed and have no holes in them to ensure that our workers do not create a mess while doing their pickups)
March 30 & 31	metals (appliances, tin, siding, bed rails, mattress springs, etc.)
April 6-7	wood items (pallets, etc.)
April 13-14	paint and any other items except appliances
April 20-21	paint and any other items except appliances
April 27-28	appliances & metals

Just a reminder, there is free bi-weekly curbside recycling available to all our garbage customers. Free bags for recycling!

Check out our website at [cityofadamsville.com](http://cityofadamsville.com) for recycling schedule dates and information and a copy of the Spring Cleaning schedule.

Contact City Hall for more information 731-632-1401

Resident & nonresident recycling customers may use the trailer behind City Hall to dispose of their recycling items.
